AMENDMENT

Sir:

Applicants hereby respond to the Office Action outstanding in this application.

Applicants thank the Examiner for conducting a telephonic interview with one of their representatives on April 18, 2007, to discuss the status of this application. (Applicants hereby confirm and adopt the summary of that interview provided by the Examiner in her Interview Summary dated April 25, 2007.)

Based on that discussion, Applicants understand that the outstanding Office Action vacated that of November 16, 2006, that it is non-final, and that its mailing date is February 26, 2007.

Nonetheless, should an extension of time be deemed to be required for any reason, this paper should be considered to be a petition for such extension, and any extension fee should be charged to Deposit Account 06-1205. If, in addition, Applicants' understanding as to the non-finality of the outstanding Office Action is in error, then this paper should be treated as also being a Notice

of Appeal from the primary Examiner's rejection of all pending claims, and any fee required in connection with such appeal, as well as the mentioned extension fee, should be charged to that Deposit Account.

In response to that Office Action, the Examiner is respectfully requested to amend the above-identified application as follows: amendments to the claims are presented in the listing starting on page 3; and remarks are presented starting on page 9.
